Union State Bank

SPRING 2019

## 2019 is a Year of New Opportunity!

### Please enjoy this exciting news from across our Union State Bank teams in our Spring 2019 edition:

Union State Bank is pleased to announce the promotion of Jeff Caudle as President/CEO. Jeff brings more than 25 years of experience in banking to the role, and represents a continuation of Union State Bank in its commitment to serve the region.

Jeff's family has been involved with Union State bank since 1976 when Jeff's father, Roger Caudle, along with partners John Atwater and Donald Folks acquired the Union State Bank. Jeff joined the bank in 1993 to assist in opening the Bank of Atchison branch

and has filled various roles at that location since. Jeff looks forward to continuing his involvement in Atchison and the larger Northeast Kansas and Northwest Missouri community in his new role as President/CEO of Union State Bank.

The support of local families, businesses and farms has been an enduring value at Union State Bank, and one that Jeff and his predecessors have wholeheartedly embraced. Read more at [www.mybankusb.com](http://www.mybankusb.com).

#### Bank of Gower and Plattsburg

- At Bank of Plattsburg, Josh Walker was promoted to Branch Manager.

- We are looking forward to graduation season.

## Everest and Horton

- At Everest, Erik Cummings was promoted to Vice President of Lending.
- Denise Olsen, Accountant, was promoted to Officer.
- We are proud of the Everest Middle School students and faculty, and our active main street, boasting vital businesses and services exceptional for a town of our size.
- Did you know? We serve the entire bank as the operations and IT hub for all

locations, as well as the home base for our audit team, payroll and accounts payable, online banking and debit card services.

- At Horton, Marc Pisacka has been promoted to Vice President of Lending. He can assist customers with agricultural and commercial loan needs.
- Spring is here! Whether you are buying your first home or hoping to lower your interest rate on your mortgage, stop by and check out our HELOC product.

## Babies! Babies! Babies!

From Bank of Atchison:

Stephanie Ramos and husband, Manny, welcomed Cristian Xavier in February. Jessica Reiss and her husband, Jacob, had a baby boy named Jack Adam in April. Heather Thummel and husband, Brandon, will welcome a baby girl in early May. At Bank of Horton, Christina Stoneking and her husband, Jason, welcomed their daughter Tymber Lynn in February.

## A Letter from Jeff:

Welcome!

We are glad that you understand the benefits of partnering with a community bank for your financial needs. We are fully vested in the communities in which we operate, where we continue the same

vision that has guided us since the beginning: investment in the families, businesses and farms that make up the community. We live, work and play in the same towns as our customers, a guiding principle that has inspired our growth and success for the past century.

The coming months in 2019 offer a significant opportunity for the communities in which we operate as Union State Bank. We will continue to focus on community investment, equipping local customers with the resources they need – and always remaining present and actively engaged in Everest, Horton, Atchison, Oskaloosa, McLouth, Gower and Plattsburg.

Our team is ready and willing to serve your needs today and into the future. Come and see us at any of our local branches.

Thanks for stopping by,

*Jeff Caudle* | President/CEO, Union State Bank
